

## Current Construction & System Maintenance Projects

Updated: October 6, 2017

If you have any questions, please Contact: Customer Service: (413) 536-9300  
Bill Sullivan, Gas Engineer: (413) 322- 1523  
Carl Peterson, Electric Engineer: (413) 536-9398

*Please note: This is not a complete list of projects. Regularly scheduled construction activities typically take place between 7:00 am and 4:30 pm. Future Projects may be delayed or cancelled at HG&E's discretion. Thank you for your cooperation.*

## Current Projects

*Tree crews and other HG&E contract personnel will be working throughout the City at various times and locations throughout the year. If there are any questions regarding tree crews and/or other contract personnel, please call 536-9355 to confirm whether or not the contractor in question is working for HG&E and/or to report any issues associated with the contractor or their work.*

### Bemis Rd - Gas

Location	Bemis Rd
Description	Gas Service Renewals
Impact	Customer's gas service will be interrupted for approximately 4-6 hours while HG&E replaces the piping from the gas main to the gas meter. Parking signs will be placed on the side of the road at the end of each day to keep the target work area open for the next morning.  Throughout this project, HG&E will maintain one lane of traffic as much as possible. In order to complete the project, there will be times HG&E will have to close the road and implement a detour.
Duration	Expected completion: 10/20/2017

### Bobola Rd - Electric

Location	Bobola Rd
Description	Replacing Switch
Impact	One Lane
Duration	Expected completion: 10/16/17 (one day)
