

Current Construction & System Maintenance Projects

Updated: March 13, 2026

If you have any questions, please Contact: Customer Service: (413) 536-9300

Bill Sullivan, Gas Engineer: (413) 322-1523

Vinny O'Connell, Electric Engineer: (413) 536- 9485

Please note: This is not a complete list of projects. Regularly scheduled construction activities typically take place between 7:00 am and 4:30 pm. Future Projects may be delayed or cancelled at HG&E's discretion.

Tree crews and other HG&E contract personnel will be working at various times and locations throughout the year. If there are any questions regarding tree crews and/or other contract personnel, please call (413) 536-9355.

Current Projects

Canal Outage - Hydro

Location	Downtown Holyoke - 1st, 2nd, 3rd level canals
Description	Annual Spring Canal Outage
Impact	During this time, the canals are drained for inspection and maintenance.
Duration	Expected duration: 3/24/26 to 3/26/26

George St – Electric

Location	George St
Description	Installing UG services
Impact	One lane traffic
Duration	Completion Date: 6/1/26

Northampton St - Gas

Location	2215-2269 Northampton St (behind K Mart Plaza)
Description	Gas Main and Service Upgrade
Impact	Customer's gas service will be interrupted for approximately 4-6 hours while HG&E replaces the piping from the gas main to the gas meter. Parking signs will be placed on the side of the road at the end of each day to keep the target work area open for the next morning. Throughout this project, HG&E will maintain one lane of traffic as much as possible. In order to complete the project, there will be times HG&E will have to close the road and implement a detour.
Duration	Expected completion date: 3/20/26

Tree Trimming- Electric

Location	Tree crews will be working on: <ul style="list-style-type: none">- Easthampton Rd from Log Cabin to Rt 5- Ingleside St between St Vincent & Lower Westfield Rd
Description	To ensure safety and electric service reliability, HG&E schedules tree trimming every year adhering to the industry's best practices. We hire certified contractors to do this work. Contractor: ASPLUNDH
Impact	One lane traffic
Duration	Expected Complete Date: 3/27/26
